

Safe Agriculture, Since 1998!

## PRODUCT INFORMATION

**ECOFIT** with its unique formula as a biostimulant helps plants to develop tolerance to stress caused by climatic and other factors to produce optimum crop output.

### INGREDIENTS:

Proteins (min.)	: 5.00 (w/w in %)
Total fatty matter (derived from potassium salt of fatty acids) (min.)	: 2.00 (w/w in %)
Eugenol derived from clove oil (min.)	: 1.00 (w/w in %)

### ADVANTAGES

- ✓ Helps plants to develop tolerance to stress caused by climatic and other factors.
- ✓ Helps the plants to overcome stress and produce optimum crop output.

**FORMULATION:** Available in powder form.

**PACKS AVAILABLE:** 100g, 250g, 500g & 1000g.

**DOSAGE:** 3 to 4 g per litre of water.

**CROPS:** All crops.

**APPLICATION METHOD:** Mix the recommended quantity thoroughly in sufficient amount of water & spray on both sides of the leaves.

**SHELF LIFE** - 5 years from the date of manufacture.

**Compatibility of our formulations with other growth supplement/agri-inputs:** It is best to avoid mixing with sulphur and copper based products as well as micro organism based products. It is always advisable to try a small sample for mixing any two formulations before farm-level application to ensure the physical stability and tolerance by plants.

**REGISTRATION STATUS:** Application for provisional registration is under process as an anti stress formulation under the category of biostimulant.
