ADVANTAGES

- ✓ Increase yield and resistance level in crops
- ✓ Withstands stress and drought conditions
- ✓ Develops resistance against pest and diseases
- ✓ Reduces flower and fruit dropping
- ✓ Non-toxic, eco-friendly and safe to use

SHELF LIFE - 5 years from the date of manufacture.

PACKS AVAILABLE: 50ml.

Compatibility of our formulations with other growth supplement/agri-inputs: It is best to avoid mixing with sulphur and copper based products as well as micro organism based products. It is always advisable to try a small sample for mixing any two formulations before farm-level application to ensure the physical stability and tolerance by plants.
